Pricing

Use social media platforms such as Instagram, Facebook, Tiktok, Snapchat	Have to find drivers to work 24/7.	College students will definitely utilize this service!	You charge each person that gets on the golf cart \$5 or more depending on the distance of their destination.
Grace Cina	Grace Cina	Grace Cina	Grace Cina
Send emails to college students	Have to find several golf cart companies willing to invest in the company.	will start small but grow considering students can not afford an 80 dollar uber/lyft.	Get a golf cart company to invest in the idea.
Grace Cina	Grace Cina	Grace Cina	Grace Cina
Create an app	Have to have a working app.	Soon will be the main form of transportation for students.	Loans will need to taken out in order to get all the golf carts.
Grace Cina	Grace Cina	Grace Cina	Grace Cina
Advertise through the university newsletter.	have to have a way to accept cash and card.	Money will be coming in especially on weekends!	The cheaper the price attracts more people to use the service!
Grace Cina	Grace Cina	Grace Cina	Grace Cina
Give students a discount if they tell their friends about the new service.	Have to have a golf cart that will be able to run for a decent amount of time.	Good side job for college students!	the more expensive turns people away especially broke college students!
